A key part of the vision of Jesuit Education at Wah Yan is to nurture our students into gentlemen “... with a universal heart contributing to the welfare and happiness of all, in particular the poor and the neglected.” It is thus heartwarming to know that a group of alumni from the class of 1971 (WYHK) have decided to devote their time and effort into providing volunteer tutorial services to the underprivileged secondary school students in Tin Shui Wai. If you have time and share similar concerns for those in need in the area, please seriously consider joining this noble and meaningful venture. It promises to be a life changing experience – for the kids, and probably for you too!
